IV Health Support Drips

High C *(pricing varies)*

High doses of vitamin C have been shown to kill cancer cells and may also reduce the side effects of chemotherapy.

Heavy Metal Detox *(pricing varies)*

This drip has been shown to detox heavy metals from your body with powerful antioxidants and prevent possible damage to your body and brain from environmental toxins.

NAD+ *(pricing varies)*

The ultimate in anti-aging support, NAD is essential to healthy mitochondrial function. Mitochondrial function is essential for youthful energy.

ALA *(pricing varies)*

A naturally-occurring antioxidant present in every cell of the body, ALA can help fight cancer, liver disease, and Alzheimer's disease.
