IV Lifestyle Drips

Powerpack \$199

*Vitamin C • Amino Acids • Biotin • Dexpanthenol • Folic Acid
B12 • B-Complex*

It's like getting a bag full of energy! Free-radical neutralizing antioxidants and mitochondrial enhancing micronutrients... no wonder this is one of our most popular drips. As its name implies, this drip can be a source of energy boosting, micronutrient enhancing health support.

Shield \$199

Vitamin C • Magnesium • B12 • B-Complex • Zinc

Your immune system is your Shield against infections and illness. Keeping your immune system working properly is the key to diminishing the risk of infections.

Allstar \$199

*Vitamin C • Magnesium • Arginine • B12 • B-Complex
Glutathione • Taurine*

When done prior to the race, this drip can be a springboard to your best performance. The Allstar helps support all of your ligaments, tendons, and muscles that will be put to the test.

Metabolize \$199

*Vitamin C • Magnesium Chloride • Pyridoxine • Zinc
B-Complex • Biotin • Dexpanthenol • Amino Acids
Calcium Chloride*

Ready for a change? This drip is designed to improve fat oxidation, help regulate blood sugar and insulin levels, and convert nutrients into energy to support your weight loss journey.

Restoration \$199

Vitamin C • Magnesium • B12 • B-Complex • Glutathione

For those times when too much of a good thing leaves you feeling not so great. The Restoration helps to flush toxins out of your body and provides you with micronutrients, antioxidants, and fluid to help accelerate your rehydration and recovery.

Time Machine \$199

*Vitamin C • L-Arginine • Magnesium • Biotin • Folic Acid
B12 • B-Complex • Glutathione*

This is one of our most popular drips for people feeling well who want to stay that way. This drip gently pulls out lead and other toxic heavy metals as well as flood your body with vitamins and nutraceuticals that support healthy arteries, healthy skin, healthy organs, and a healthy brain.

Preop \$199

Vitamin C • Magnesium • B-Complex • Zinc

No matter how minor, surgery is a trauma and a shock to the system. You should prepare for this event like your life depends on it. The Preop fills you with the nutrients your body needs to help you get through the procedure.

Postop \$199

*Vitamin C • Magnesium • Biotin • Zinc • Amino Acids
B12 • B-Complex • Glutathione*

This drip includes vitamin C to support wound healing, amino acids, and essential nutrients to help speed recovery. Surgery can leave your body depleted, but your veins remain open to receive the restorative benefit of the Postop IV infusion.

Jetsetter \$199

*Vitamin C • B12 • B-Complex • Glutathione • Folic Acid
Zinc*

Whether for business or pleasure, your travel plans should not include an invitation to illness. Stress and the cascade of free radicals from ultraviolet exposure weaken your immune system. Make the Jetsetter part of your preflight routine.

Flu Fighter \$199

Vitamin C • Magnesium • Zinc

Nothing crushes a flu or a cold better than a strong immune system. This drip gives your body the fluids, vitamins, and minerals that your immune system needs to fight illness.

Firm \$199

Vitamin C • B-Complex • Glutathione • Biotin • Zinc

Proper nutrition significantly affects the health and aging of your skin. Without proper micronutrients, skin can loosen creating more wrinkles and aging skin. For smooth, lustrous skin, make the Firm a part of your beauty and maintenance routine.

The Debut \$139

Vitamin C • Magnesium • B12 • B-Complex

This gentle infusion inspired by the classic "Myers Cocktail" is a blend of vitamins and hydration intended to support immune function, energy, mental clarity, and general well-being.

Allergy \$199

Vitamin C • B12 • B-Complex • Glutathione • Glutamine

Allergic rhinitis is caused by an abnormal immune response due to allergens that enter the body from the environment. The immune response triggers an inflammatory cascade of free radicals and cytokines that create the symptoms. This drip contains high levels of antioxidants to neutralize that reaction.

Vitality \$199

*Amino Acids • Taurine • Magnesium Chloride
Methylcobalamin*

When you embrace and enjoy your sexuality, you promote your physical, emotional, mental, and social well-being. This drip is designed to increase blood flow, and heart health, stimulate hormone secretion, support arousal, and increase libido.

Post Viral \$199

*Vitamin C • Magnesium • B12 • B-Complex
Glutathione • Folic Acid • Glutamine*

Still feeling your most recent illness and just want to get your energy back? The Post Viral contains all the B vitamins to boost energy levels. This drip also includes important nutrients to help your body restore cellular function and continue to provide immune system support.

Soother \$199

Vitamin C • Magnesium • B12 • B-Complex

As the Soother flows in, feel the stress flow out. Tense muscles and a tense mind travel together. The Soother gives aid to both.

Glutathione \$199

Glutathione

Glutathione has been gaining popularity in its use for many functions within the body, which is why it earned its own drip! Known as a powerful antioxidant, glutathione is used for anti-aging, maintaining general health, and keeping the body functioning at its very best.

IV Health Support Drips

Alpha Lipoic Acid (ALA) *(pricing varies)*

ALA

ALA is an antioxidant that is present in every cell of our body. Our ALA drips are recommended for those who are fighting cancer, Alzheimer's disease, and chronic liver disease. ALA has also been shown to be effective in reducing neuropathy.

High C *(pricing varies)*

Vitamin C • Magnesium • Calcium • Potassium

Super doses of vitamin C have been shown to kill cancer cells and alleviate some of the side effects of chemotherapy. Monthly doses of vitamin C may also help prevent cancer from returning for those who are in remission.

Heavy Metal Detox *(pricing varies)*

*Vitamin C • Magnesium • B12 • Taurine • Folic Acid
Pyridoxine*

This drip has the capabilities to detox heavy metals from your body with powerful antioxidants, prevent damage to your body and brain from environmental toxins, and fulfill common nutritional deficiencies.

NAD+ *(pricing varies)*

NAD

Preserving mitochondria is one of the best ways to delay aging. Nicotinamide Adenine Dinucleotide (NAD) is found in all living cells and is responsible for producing energy. This drip is essential for healthy mitochondrial function, youthful energy, and overall well-being.
