

ANTI-AGING & BEAUTY

Firm \$199

B-Complex • Biotin • Glutathione • Vitamin C

For smooth, lustrous skin, make the Firm a part of your beauty and maintenance routine.

NAD+ \$319-\$549

NAD

The ultimate in anti-aging! NAD+ is a key ingredient that helps give cells the boost they need to work more efficiently, support mitochondrial function, and aid in cellular repair. With regular use, you can expect increased energy levels and improved cognitive function.

Time Machine \$229

L-Arginine • B12 • B-Complex • Biotin • Folic Acid • Glutathione • Magnesium • Vitamin C

This is one of our most popular drips for people feeling well who want to stay that way. This drip pulls out lead and other toxic heavy metals in a gentle manner, and floods your body with vitamins and nutraceuticals that support healthy arteries, healthy skin, healthy organs, and a healthy brain.

DEHYDRATION, RECOVERY & STRESS

Preop \$199

B-Complex • Magnesium • Vitamin C • Zinc

No matter how minor, surgery is a trauma and a shock to the system. The Preop fills you with the nutrients your body needs to help you get through the procedure.

Postop \$229

Amino Acids • B12 • B-Complex • Biotin • Glutathione • Magnesium • Vitamin C • Zinc

This drip includes vitamin C to support wound healing, amino acids to increase blood flow, and essential nutrients to help speed recovery.

Restoration \$199

B12 • B-Complex • Glutathione • Magnesium • Vitamin C

For those times when too much of a good thing leaves you feeling not so great. The Restoration helps to flush toxins out of your body and provides you with micronutrients, antioxidants, and fluids to help accelerate your rehydration and recovery.

Soother \$199

B12 • B-Complex • Magnesium • Vitamin C

As the Soother flows in, feel the stress flow out. This drip aids in healing tense muscles and a tense mind.

ENERGY, PERFORMANCE & WEIGHT LOSS

Allstar \$229

L-Arginine • B12 • B-Complex • Glutathione • Magnesium • Taurine • Vitamin C

When done prior to the race, this drip can be a springboard to your best performance. Vitamin C helps support all of your ligaments, tendons, and muscles that will be put to the test.

Metabolize \$229

Amino Acids • B-Complex • Biotin • Calcium Chloride • Dexpanthenol • Magnesium • Pyridoxine • Vitamin C • Zinc

Ready for a change? This drip is designed to improve fat oxidation, help regulate blood sugar and insulin levels, and convert nutrients into energy to support your weight loss journey.

Powerpack \$229

Amino Acids • B12 • B-Complex • Biotin • Dexpanthenol • Folic Acid • Vitamin C

It's like getting a bag full of energy! This drip can be a source of energy-boosting, micronutrient enhancing health support. It's our full multi-vitamin in a bag!

Vitality \$199

Amino Acids • B12 • Magnesium • Taurine

When you embrace and enjoy your sexuality, you promote your physical, emotional, mental, and social well-being. This drip is designed to increase blood flow & heart health, stimulate hormone secretion, support arousal, and increase libido.

DETOX

Glutathione \$199

Glutathione

Glutathione is known as the master antioxidant. It can help protect the body from damage caused by free radicals, inflammation, and toxins. Glutathione is extremely helpful in flushing toxins from the kidneys, liver, and other organs. The antioxidant effects aid in skin appearance by brightening and evening skin tone.

Heavy Metal Detox \$229

B12 • Folic Acid • Magnesium • Pyridoxine • Selenium • Taurine • Vitamin C

This drip has the capabilities to detox heavy metals from your body with powerful antioxidants and prevent possible damage to your body and brain from environmental toxins. At the same time, this drip fulfills common nutritional deficiencies.

IMMUNITY BOOSTING

Allergy \$199

B12 • B-Complex • Glutamine • Glutathione • Vitamin C

Allergic rhinitis causes an immune response that triggers an inflammatory cascade of free radicals and cytokines. This drip contains high levels of antioxidants to neutralize that reaction.

Flu Fighter \$199

Magnesium • Vitamin C • Zinc

Nothing crushes a flu or a cold better than a strong immune system. This drip gives your body the fluids, vitamins, and minerals that your immune system needs to fight illness.

Jetsetter \$199

B12 • B-Complex • Folic Acid • Glutathione • Vitamin C • Zinc

Whether for business or pleasure, your travel plans should not include an invitation to illness. Stress and the cascade of free radicals from ultraviolet exposure weaken your immune system. Make the Jetsetter part of your preflight routine.

Post Viral \$229

B12 • B-Complex • Folic Acid • Glutamine • Glutathione • Magnesium • Vitamin C

Still feeling your most recent illness and just want to get your energy back? The Post Viral contains all the B vitamins to boost energy levels. This drip also includes important nutrients to help your body restore cellular function and continue to provide immune system support.

Shield \$199

B12 • B-Complex • Magnesium • Vitamin C • Zinc

Your immune system is your Shield against infections and illness. Keeping your immune system working properly is the key to diminishing the risk of infections.

STARTER

The Debut \$139

B12 • B-Complex • Magnesium • Vitamin C

This gentle infusion inspired by the classic "Myers cocktail" is a blend of vitamins and hydration intended to support immune function, energy, mental clarity, and general well-being.

IV Health Support Drips

Alpha Lipoic Acid (ALA) \$179-\$329

Whether it's fighting cancer, chronic liver disease, reducing neuropathy, or helping in Alzheimer's disease, there is a lot to like about ALA. This is a naturally occurring antioxidant present in every cell of the body. In addition to its broad therapeutic value, it has an impressive record of safety. When used intravenously, ALA has a rapid onset of action that has been shown to be capable of killing tumor cells.

ALA 200 mg	\$179
ALA 400 mg	\$239
ALA 600mg	\$329

High Dose Vitamin C \$169-\$299

If you ever had cancer, or if you are currently fighting cancer, super doses of vitamin C delivered through the vein may help you. Not only has High C been shown to kill cancer cells, it can also reduce the side effects of chemotherapy.
